Important Information

*Registration Packets for the 2018-2019 School year will be sent home on January 8th. If your child will be coming back, the forms need to be back by the 19th to take advantage of the great registration fee we will have for current families.

*If you have neighbors or friends looking to sign up their children for preschool, our Open House will be on Thursday, January 18th from 5:30-7:00pm

for all new families.

Wish List

*Due to the wind and cold weather, please be careful of car doors flying open. We have had some incidences with other cars getting hit and banged into.

*Due to the colder months approaching, if our school is closed, it will be posted on our Website in Red.

A Look Ahead

Our Book Mobile will be coming back to visit us in January. We know the students love to listen to the fun books the librarians have picked out.

Our 3's will be working on learning how to cut and glue on their own. It is fun to see them become more independent. If you have any fun activities for them to practice and show you at home, that would be a great way to practice their fine motor skills.

Our 4's will continue to work on printing their first and last names as well as gaining more skills to get them ready for kindergarten. They have been working hard.

In Bible Class the students will be practicing their monthly bible verse along with other fun activities Mrs. MaryAnn has planned.

In Music Class, Mr. Nick will be teaching the color song of the month which is Blue and White along with learning many other fun songs and musical games.

Looking forward to a great 2018 with all of our families.
