Important Information

*Please make sure that all tuition payments are current before the last day of school. If you have received a late notice, please come and see me if you have questions.

*If you are a 3's mom and have not RSVP'd for the Mother's Day Tea, please let your teacher know by Friday, May 4th.

*Information about our Jump Start Program for our 4's will be going home this week.

Wish List

The week of May 7th - May 11th is Teacher Appreciation Week. Nazarene Preschool would not be as successful if it was not for our dedicated and caring teachers. Thank you so much for all you do!!!

A Look Ahead

It is difficult to believe that we are coming to the end of this preschool year. It is amazing to see how much growth not only our children have made, but the growth of the adults who care for them also. The children have grown not only physically, but socially and academically. As for parents, you have seen your child make new friendships, continue to grow in their learning and become a little more independent. The teachers and I have met more wonderful families, tried new ways to make your child's day at school more fun and interesting, most of all we continue to love what we do.

For our Young 3's and 3's coming back to see us next school year, we cannot wait to hear all about your Summer Adventures.

For our 4's who will be taking the next step to Kindergarten, we wish you tons of blessings and fun. We hope to see you in Jump Start before Kindergarten starts. Please make sure you stop back to visit so we can hear how you like Kindergarten.

On behalf of the staff at Nazarene Preschool, we wish you a healthy, safe, and fun Summer.

Peggy McDermott
Preschool Director
