

## Text to Give- An Easy Way to Give

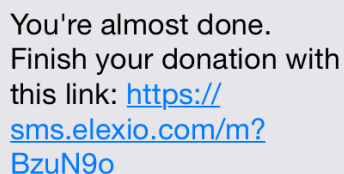

Giving is now as simple as sending a text. If this is your first time giving by text, you will have to complete a onetime form to safely and securely connect your card to your phone. This way of giving is not charged to your phone bill and you will always receive a text confirming your gift. Then, going forward, you will be able to give anytime from anywhere with a single text.

### How to give to Tithes, Building Fund, Faith Promise and Church on the Block:

1. Your text message will go to 30131. Your message will contain a dollar amount, a space then the keyword- **C1tithe**. (Example: \$20 **C1tithe**). The keyword must be all one word and contain no spaces. The dollar amount can be formatted anyway you choose (\$10/10/10.00/\$10.00).

1.00 c1tithe

You're almost done.

Add New...

CARD NUMBER:

CODE: 

January (1) 2015

3. You will receive a confirmation that your donation has been received.

4. In the future, after the first set-up, you can give tithes anytime by simply texting your donation amount and **C1tithe** to 30131. It will charge the current card on file with your phone number. You will receive a confirmation text confirming your amount.

Thank you! You gave \$1.00 to Chicago First Church of the Nazarene. We've emailed you a receipt. Text C1TITHE EDIT to update your info.

5. To change your account information text **EDIT C1tithe** to 30131.

6. Want to donate to other funds? Change the keyword in your text:

- a. **C1building**- Building Fund
- b. **C1faith**- Faith Promise
- c. **COTB**- Church on the Block donation

7. Your phone bill will never be charged and no one has access to your card information. Normal text messaging and data rates do apply.
